**THE VOTES  
HAVE BEEN CAST AND  
THE BALLOTS HAVE BEEN COUNTED.**

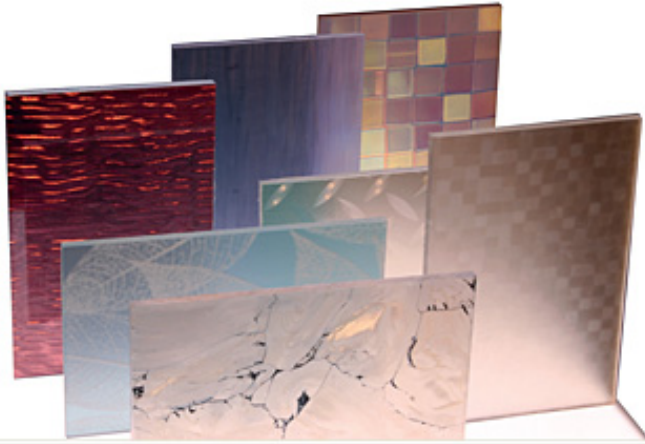

**THE VOICE OF THE READER:** You picked them, so here they are, 2011's most-requested. **[PAGE 38]**

**THE ARCHITECTURAL PRODUCTS TOP 50:** We present the annual TOP 50 reader-requested items of the year. The products and materials piquing the interest of the architectural community are a combination of "best of," new technologies and tried-and-true components. Within you'll find a mix of products that will help you deliver more sustainable buildings; deliver light in a much more creative and flexible manner; and make spaces more quiet and comfortable.

Decorative panels match a variety of specifications

**LIGHTWEIGHT WALLS**

**Duo-Gard** decorative panels are lightweight, made of recycled content and ideal for both interior and exterior use. Made of acrylic or polycarbonate, the panels are available in a continuous daylighting wall or stand-off systems and come with stainless steel or aluminum framing, in painted or anodized finishes. Custom colors and sizes are available as well. Visit [www.duo-gard.com](http://www.duo-gard.com) or Circle 476

Luxury wall surfaces create a unique effect
