

### WHY PARTNER WITH DUO-GARD?

#### CART CORRAL DESIGN & CONSTRUCTION

- Structural aluminum framing with an anodized finish – will not rust, chip or flake
- 100% made in the U.S.A
- Superior design and quality
- Internal framing connections
- Standard and custom models available

#### STRUCTURAL INTEGRITY

- Engineer stamped drawings available in all 50 states & Canada
- Built to withstand up to **175 mph** wind loads, **100 psf** snow loads and seismic **zone E** if required
- Corral anchoring is critical to eliminating potential corporate liability

#### BRANDING & SIGNAGE

- Signage extends your brand and message into the parking lot
- One and two sided signs available customized to fit your needs

#### PRODUCT LIFE

- 25 year + expected product life span
- Best life cycle cost in the industry

#### LEVELING CAPABILITIES

- Adjustable legs provide a level and uniform appearance
- Enhances curb appeal and overall architectural impact for your stores
- No need to settle for less

#### CART ROLL OUT BARS

- Prevents carts from rolling out of the corral and into the parking lot

#### REAR CART STOP BARS

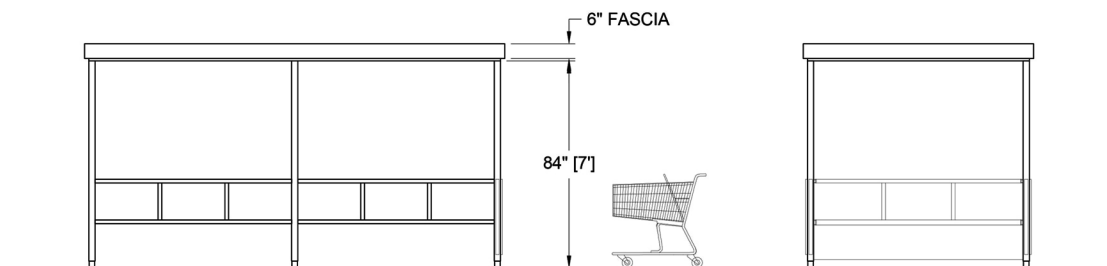

- Protects corral by preventing carts from hitting the back wall

#### INSTALLATION & PROJECT MANAGEMENT

- Installation teams available nationwide
- Dedicated Project Manager assigned to oversee your projects from start to finish
