

DUO-GARD

SMOKING SHELTERS *Industry innovator and leader since 1989*

As smoking bans gained steam in the 1980s, Duo-Gard's team addressed the need to accommodate both smokers and nonsmokers in a smoke-free workplace. In 1990 our Air-Flo Smoking Shelter was awarded product of the year by *Plant Engineering Magazine* and propelled Duo-Gard forward as an industry innovator and leader.
