

# DUO-GARD'S SECURA-GARD MOBILE APP

Powered by  motic

Duo-Gard's Secura-Gard mobile app is the ultimate secured access bicycle management system for property managers, commercial property owners & municipalities. Our Secura-Gard System manages everything from program setup and management to maintenance & collection fees.

- Manage all bike parking facilities from one easy to use app
- Scalable to unlimited bike parking sites, indoor and/or outdoor
- Real time monitoring of bike parking activity and usage
- Simple to manage bike parking sites from User Dashboard
- User-friendly set up and accessibility for the biker
